STATEMENTS

STATEMENT BY LIQUIDATOR

The liquidator has today discussed and approved the annual report for the financial year 1 January – 31 December 2021 for LD Equity 2 K/S under voluntary liquidation.

The annual report has been prepared in accordance with the Danish Financial Statements Act.

In my opinion, the financial statements give a true and fair view of the limited partnership's assets, liabilities and financial position at 31 December 2021 and of the results of the limited partnership's operations and cash flows for the financial year 1 January – 31 December 2021.

I believe that the commentary includes a fair review of the affairs and conditions referred to therein.

I recommend the annual report 2021 for adoption at the annual general meeting.

Copenhagen, 2 June 2022

Liquidator:

Tina Øster Larsen

The annual report is presented and approved at the annual general meeting.

on _____ / _____ 2022

Chairman: _____

STATEMENTS

Independent auditor's report

To the limited partners in LD Equity 2 K/S under voluntary liquidation

Opinion

We have audited the financial statements of LD Equity 2 K/S under voluntary liquidation for the financial year 1 January – 31 December 2021, which comprise accounting policies, income statement, balance sheet, statement of changes in equity, cash flow statement and notes. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Limited Partnership at 31 December 2021 and of the results of the Limited Partnership's operations for the financial year 1 January – 31 December 2021 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Limited Partnership in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

Liquidator's responsibilities for the financial statements

Liquidator is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Liquidator determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Liquidator is responsible for assessing the Limited Partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Liquidator either intends to liquidate the Limited Partnership or to cease operations, or has no realistic alternative but to do so.

STATEMENTS

Independent auditor's report

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit conducted in accordance with ISAs and additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Limited Partnership's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Liquidator.
- Conclude on the appropriateness of Liquidator's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Limited Partnership's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Limited Partnership to cease to continue as a going concern.

STATEMENTS

Independent auditor's report

- Evaluate the overall presentation, structure and contents of the financial statements, including the note disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the Liquidator's Business review

Liquidator is responsible for the business review.

Our opinion on the financial statements does not cover the business review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the business review and, in doing so, consider whether the business review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the business review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the business review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material

COMMENTARY

BUSINESS REVIEW

The private equity fund LD Equity 2 K/S under voluntary liquidation (LD Equity 2) was established as a limited partnership in July 2005 and has invested in Danish business entities in their "mature" phase, primarily in entities with revenues between DKK 200 million and DKK 1,000 million, first and foremost in trade, industry and various service trades. LD Equity 2 has invested both as majority and minority owner.

The objective of LD Equity 2 has been to create and realize value in portfolio companies. The fund has invested in 20 portfolio companies since its establishment and in 2018 the last portfolio company was exited. No new investments will be made and LD Equity 2's activity has ended. On December 16, 2019 the general partner decided to start a voluntary liquidation process for LD Equity 2 and a liquidator was appointed by the general partner. The liquidation process is on-going.

Result for the year

The result for 2021 is positive with DKK 3.3 million (in 2020 DKK 0.3 million). The result for 2021 is considered satisfactory due to the fact that LD Equity 2 is in the phase of winding-up of the partnership.

The COVID-19 situation is not expected to have any impact on LD Equity 2 as all investments are exited.

Capital resources

LD Equity 2's equity amounted to approx. DKK 8.6 million at 31 December 2021, matching an equity ratio of 97%.

Ownership and legal structure

LD Equity 2 is owned by a number of professional and institutional investors holding a stake of 99.8%.

COMMENTARY

BUSINESS REVIEW

LD Equity 2 is a Danish limited partnership with a commercial foundation (in Danish: "Erhvervsdrivende fond") as general partner.

Events after the balance sheet day

There have been no events after the balance sheet day and to date that materially affect the assessment of the annual report.

FINANCIAL STATEMENTS

ACCOUNTING POLICIES

GENERAL

LD Equity 2 has voluntarily chosen to present the annual report in accordance with the provisions of the Danish Financial Statements Act for reporting class A entities and with the adoption of a statement of changes in equity and a cash flow statement. Investments in portfolio companies are recognised in compliance with the International Private Equity and Venture Capital Valuation Guidelines, drawn by the IPEV Board.

As the company is in process of voluntary liquidation, the annual report for 2021 is presented at realisation values.

Recognition and measurement

All income and expenses relating to the financial year are recognised in the income statement regardless of time of payment. Value adjustments in respect of investments in portfolio companies, which are measured at fair value, are also recognised in the income statement.

Assets are recognised in the balance sheet, if, in all probability, future economic benefits will flow to the limited partnership, and the value of such assets can be measured reliably.

Liabilities are recognised in the balance sheet, if, in all probability, future economic benefits will flow out of the limited partnership, and the value of such liabilities can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Recognition and measurement of assets and liabilities have taken into account any information available after the balance sheet date but before the presentation of the financial statements, either affirming or not affirming conditions existing on the balance sheet date.

Foreign currency translation

Transactions in foreign currencies are translated into Danish kroner using the exchange rates applicable on the transaction date. Assets and liabilities in foreign currencies are translated into Danish kroner using the rates on the balance sheet date.

FINANCIAL STATEMENTS

ACCOUNTING POLICIES

INCOME STATEMENT

Value adjustment of investments in portfolio companies

Gains/losses on investments and value adjustments of investments in portfolio companies are recognised in the income statement.

Dividends received from portfolio companies are also recognised under "Value adjustment of investments in portfolio companies".

Administrative expenses

Administrative expenses mainly consist of administrative expenses.

Financial expenses

Financial expenses include interest on bank deposits, and interest on loan provided by the general partner.

Tax

LD Equity 2 is a Danish limited partnership. The limited partnership is transparent for tax purposes and taxes are levied on the individual investor in proportion to their shares in the partnership. Consequently, no provisions for tax have been made in the financial statements. However, taxes withheld on the payment of dividend, interest and liquidation proceeds are recognised in the income statement under withholding tax.

BALANCE SHEET

ASSETS

Investments in portfolio companies

On initial recognition, investments in portfolio companies were measured at cost, with the addition of transaction costs. On subsequent recognition, investments are measured at fair value. Value adjustments are recognised in the income statement.

The fair value of investments in portfolio companies are measured at the most recent market price and realisation value.

Receivables

Other receivables are measured at the lower of amortised cost or net realisable value, which usually corresponds to the nominal value less write-downs for bad debts. Write-downs for bad debts are determined on the basis of an assessment of the individual receivables.

FINANCIAL STATEMENTS

ACCOUNTING POLICIES

Cash

Cash includes deposits with financial institutions.

LIABILITIES

Financial liabilities

Liabilities are measured at amortised cost, usually corresponding to the nominal value.

CASH FLOW STATEMENT

Cash flow statement

The cash flow statement shows cash flows from operating, investing and financing activities as well as the year's movements in cash flows and the limited partnership's cash at the beginning and end of the year.

Cash flows from operating activities

Cash flows from operating activities include the net profit or loss for the year, adjusted for changes in working capital and non-cash operating items, such as value adjustments of investments in portfolio companies and provisions. The working capital includes current assets less short-term liabilities, exclusive of items included in cash and bank loans.

Cash flows from investing activities

Cash flows from investing activities include payments in respect of acquisitions or divestments of portfolio companies.

Cash flows from financing activities

Cash flows from financing activities include payments to and from limited partners as well as any changes in bank loans.
